

# CP-TT

- Joint meeting with the DA-TT was postponed - was planned in summer 2025.
- Started discussions with the DA-TT (who agreed) and then form an organizing committee to come up with a revised plan for a meeting in fall 2026.
  - The old organizing committee is being asked if they want to be part of the new one
  - Location might be a challenge
- Task team engagement has been a challenge, new/active members have been added to address participation and exchange of ideas.
  - But last meeting (September 10) showed some promises
  - The workshop could hopefully foster further engagement
