

1. Data Assimilation

- **OceanPredict already doing a great job to provide a forum for exchange on DA!**
- Potential areas for improvement/activity
 - Engaging youth
 - Exploring ML in DA
 - Connection to WMO and other DA communities
- Specific actions:
 - Continue to organize DA-TT workshops
 - Promote training materials to facilitate access to DA (ie reduce barriers)
 - Connection with Reanalysis community
 - AI-TT connection to share rapidly developing approaches for ML in DA
 - Facilitate discussion on shared tools/frameworks
