IBARAKI-FREE-Wi-Fi

Password:

ibarakiken

Electric outlet

Some seats have electric outlets below a desk.

Lunch

- Mekiki no Ginji (seafood)

Sashimi rice bowl

- Yagura (Sushi)
***close at 14:00**

Nigiri Sushi

- Kagari (Japanese)
***close at 14:00**

Tendon (Tempura rice bowl)

Sushi gozen

Lunch

- Aoba (Ramen noodle)

Chukasoba (ramen)

- Kandy spice (curry)

Chicken thigh curry

- Aoi (Ramen noodle)

* crowded during 12:00-13:00

- Monster (Asian)

Pho

Gaprao (Thai Stir Fry Chicken with Basil)

Lunch

Tsukuba station

Map data ©2022 100 m

Please let local staffs know your choice, they will take you to a restaurant.

Oral session

- Please set your name in zoom as:
First-Name Family-Name (Affiliation)
(e.g., Yosuke Fujii (JMA-MRI))
- Please turn your microphone and video camera off anytime other than when you make a presentation, a question/comment.
- Please use the chat or “raised hand” in zoom to ask your question.
- A presentation slot is 18 minutes (15 min. for presentation plus 3 min. for Q&A)
- Bells ring at 12, 15, and 18 minutes.
- Please upload your presentation to the Slack before your presentation.
- All the presentations will be recorded and shared on the Slack.

Press a button when you speak.

Poster session (14:00-14:50, 15th Nov.)

- A list of poster presentations is available on the slack channel (#0_poster-session).
- Physical posters will be put on 15th and 16th (morning).
- You may ask your question online, please write your question in a thread of each poster.
- 2-min. flash poster talks (12:20-12:40) will be recorded, and they will be uploaded to the slack.

Workshop purpose

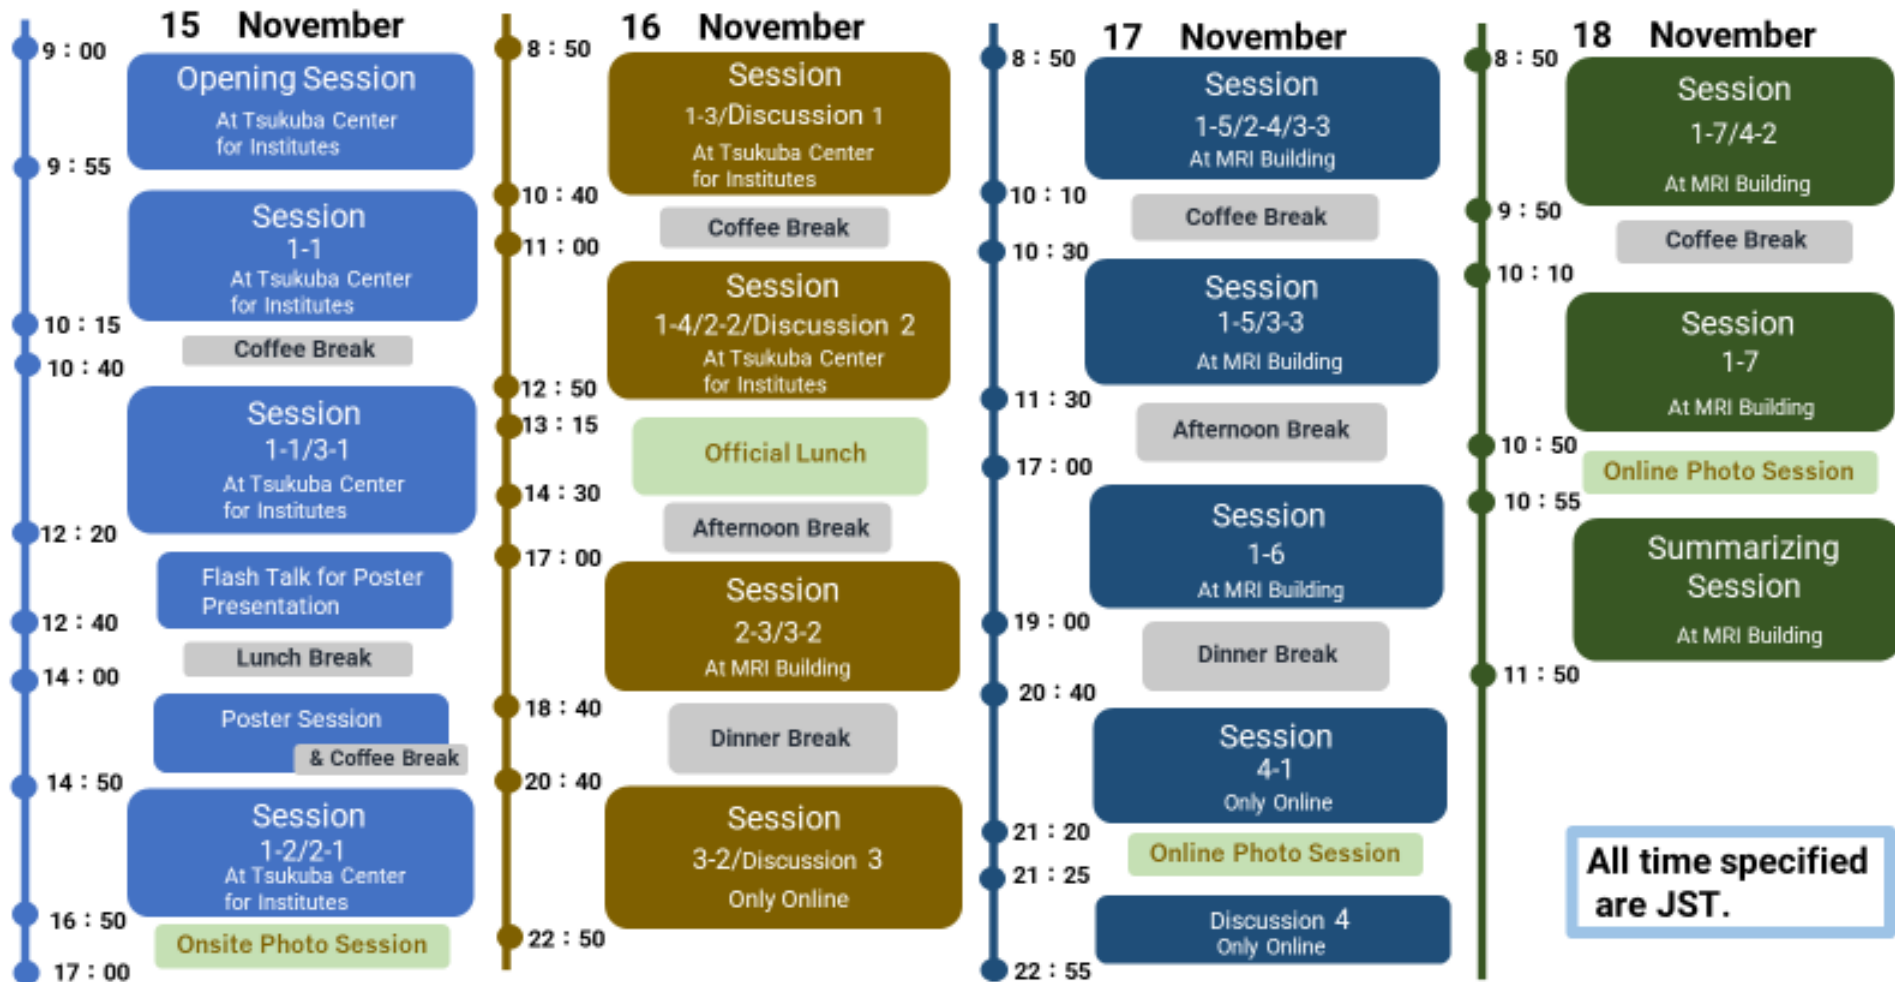

Joint Workshop of the OS-Eval TT and CP-TT and SynObs Kick-Off

Objectives:

- To emphasize the importance of ocean observing co-design/evaluation and data assimilation development for more effective use of ocean observation data.
- To promote developments for increasing oceanic impacts in earth system predictions.
- To share the objectives/goals of SynObs and to set up SynObs activities.
