

## Procedures required for entry into Japan

1. **Visa required:** Currently, all persons without a Japanese passport require a Japanese visa to enter Japan.

The Local Workshop Organizing Committee will prepare and email to you the invitation letter necessary for the visa to be issued by the Japanese embassy in your country. In order to provide the invitation letter to you, please:

- Fill in the “Application Form for Invited Researcher” we added below (completed and scanned)
- Provide the “Additional information” requested, and
- Sign the Written Oath (completed, signed and scanned)

and **email the information (two scanned documents, the additional info) plus a scan of your passport (main page) to [yfujii@mri-jma.go.jp](mailto:yfujii@mri-jma.go.jp) and [yuhei.takaya@mri-jma.go.jp](mailto:yuhei.takaya@mri-jma.go.jp) by 2<sup>nd</sup> September 2022.**

2. For **quarantine related checks** of COVID-19 at the airport upon entry into Japan, please follow the instructions in the link below and **complete Fast Track** procedures in advance.

<https://www.hco.mhlw.go.jp/fasttrack/en/>

Please **check** the following links for **documents** that need to be prepared in advance regarding quarantine.

<https://www.mhlw.go.jp/stf/covid-19/bordercontrol.html>

Japanese border measures depend on the classification of the country or region of your stay before arriving in Japan, and your vaccination status. The classification (indicated by a color category) can be found at the following page.

[https://www.mhlw.go.jp/stf/covid-19/border\\_category.html](https://www.mhlw.go.jp/stf/covid-19/border_category.html)

### **Please be aware that:**

- 1) the color category may change in the run-up to the workshop date.
- 2) the required document check in the Fast Track web page (<https://www.hco.mhlw.go.jp/en/>) may suggest preparing the proof of vaccinations as an optional preparation. However, the people from countries in the Blue category do not need to prepare the proof

according to the current rule because the quarantine does not depend on the presence or absence of the proof.
